VISIT YEAR ROUND

Cape Ann ARTISANS

2021 OPEN STUDIOS

Cape Ann Artisans STUDIO GUIDE

Cape Ann Artisans are among the most established artists currently living and working in Gloucester and Rockport. Some studios are centrally located while many are tucked away among Cape Ann's distinctive and diverse neighborhoods. Beyond the biannual Open Studio Tours, individual artisans are engaged and active in Cape Ann's thriving arts community; during non-tour times many can be found working in their studios by appointment or at other events in the area.

We invite the curious and adventuresome art-lovers to visit us off-season for a deep dive into our creative life on Cape Ann.

Our artisans create works from across the fine art and craft spectrum — pottery, painting, sculpture, mixed media, mosaics, prints, textiles, and jewelry, with accessories created in diverse materials — clay, glass, silk, metals, fibers, yarns, sea glass and more.

Not all studios are handicap accessible. Please call or email.

Look for our pink tour banners.

Visit www.capeannartisans.com for a map of the studio locations, PDF of brochure, images and blogs of work and information about special events.
